production

[AKG C3000 Microphone](#)

CLASSIC SOUND MADE AFFORDABLE. The C3000 is a large-diaphragm cardioid condenser microphone for universal use, designed and made specifically to suit the needs of musicians as well as the rigors of the stage.

[AKG D112 MKII Microphone](#)

The D112 MkII professional dynamic bass drum microphone features a new integrated flexible mount, while retaining all the sonic strengths that have made it's predecessor the industry-standard. Over the years the D112 has earned a well-deserved reputation as one of the best bass drum microphones ever made, for its high SPL capability, punchy EQ and bulletproof construction.

Integrated flexible mount
makes it even more versatile

Bass resonance volume chamber
for unique, punchy sound

Large diaphragm dynamic microphone
delivers accurate low frequencies

Integrated hum-compensation coil
keeps noise to an absolute minimum

Industry benchmark for bass drum microphone
used on stages worldwide for over 30 years
