

Latin Percussion Afuche Cabasa Model 234A

Invented over 40 years ago by founder Martin Cohen, the LP Afuche/Casaba has become one of the most essential percussion instruments in history. Loops of steel bead chain wrapped around a specially textured, stainless steel cylinder that produce a multitude of scraping rhythmic patterns. The larger the size of the instrument, the louder the volume.

Latin Percussion LP543-BK Padded Conga Bag

Latin Percussion LP543-BK Padded Conga Bag
