Fender Pro Junior III Combo Amp

The standard for gigging guitarists worldwide and the ideal amp for crafting your own signature sound. Working guitarists everywhere prize no-frills Hot Rod amps for their great volume, reliability, responsiveness to effects pedals, and affordability. The Pro Junior III is a small, simple and uncluttered 15-watt tone machine ideal for the go-anywhere guitarist who needs to hit the stage or studio at a moment's notice, with great tone and the remarkably touch-sensitive dynamic response that experienced players prefer.
