

Yamaha DGX650B Digital Piano (*Local Pickup Only)

PureCF sampling starts with a meticulous recording of Yamaha's acclaimed CFIIIS 9' concert grand piano. This recording contains a number of dynamic levels from pianissimo to fortissimo, so you can experience the delicate touch of a soft passage or the pure power of two-handed chords.

Damper Resonance digitally reproduces the sympathetic interaction between strings on acoustic pianos. When the damper pedal is used in a performance, the harmonics of other strings wash over the notes you play until the pedal is released.

A weighted action with heavier touch in the low end and lighter touch in the high end, just like the hammers inside an acoustic piano. Great for the aspiring pianist, practicing on the GHS action builds the proper finger technique for when the time comes to perform on an acoustic piano.

Width 1,397mm (55") / with keyboard stand: 1,399mm (55-1/16")
Dimensions Height 146mm (5-3/4") / with keyboard stand: 761mm (29-15/16")
Depth 445mm (17-1/2") / with keyboard stand: 445mm (17-1/2")
Weight **Weight** 22.5kg (49lbs. 10oz.) / with keyboard stand: 29.5kg (65lbs. 1oz.)
