## <u>Martin M1100 Bronze Light Acoustic</u> <u>Guitar Strings</u>

Martin M1100 Acoustic Guitar Strings Bronze Light Gauge

## **DESCRIPTION**

If it's one thing we know, it's finely crafted and vintage instruments. We created our Marquis line to pamper your guitar by adding a soft silk wrap to the ball ends which prevent wear and tear on the bridge and end plate as you play. Our silk wrap puts a comforting layer of protection in place every time you change your strings.
