

Fender Squier Mini Strat v2 Black Electric Guitar

A smaller version of the Bullet® Strat®, the newly redesigned Mini is a great guitar for beginners, travelers and players with smaller hands. Features include a new thinner body and a slimmer neck profile for easy playability.

Equipped with three single-coil Stratocaster® pickups and five-way switching for classic Fender tones, the Mini also features improved tuning machines, a hardtail bridge, smaller strap pins and a side-mounted output jack.
