

## Fender PB-180E Banjo With Gig Bag

Known for their vibrant tones, open-back banjos have been a staple for bluegrass and folk players alike since the inception of the genres. The Fender Paramount PB-180E Banjo is perfect for the player looking for a traditional styled banjo with functional modern appointments. This model features a mahogany rim and neck with a Remo Fiberskyn® head, and comes equipped with proprietary Fishman® electronics to amplify your sound. Whether you're just starting out or an experienced player, this banjo is a perfect addition.

Other features include a comfortable neck profile, walnut fingerboard with snowflake inlays, arm rest, genuine bone nut, and gig bag.
